

# Summer Holiday Assignment

Academic Session 2023-24

## CLASS - III

Summer Vacations are at our doorsteps. Holidays are a well-deserved opportunity to relax and rewind by indulging in activities that are pleasurable at the same time educative. You are going to enjoy your holidays. Practice your hobbies or inculcate new hobbies. Do a lot of Reading, it can be newspapers, magazines, books or novels. Watch English news daily in order to equip yourself with the information and facts to be used as content in the writing skills.

Summer Holiday Homework is an initiative on our part, to inculcate innovativeness, creativity and interest in the tasks assigned to our students. It will not only enable you to recapitulate what was taught but will also help you to connect yourselves to the various learning processes. Please ensure that you complete the assignment neatly. It's a sincere request to all to complete home assignments on time. Engage yourself whole heartedly as you will learn a lot through it.

### GENERAL GUIDELINES

- The holiday homework is an integrated assignment.
- Mathematics, Science and Social Science are being integrated as Assignment-1.
- English and 2<sup>nd</sup> Language are integrated as Assignment-2.
- GK and Life skill are separately designed to be done in respective notebooks.
