

Summer Holiday Assignment

Academic Session 2023-24

CLASS - LKG

Dear Students,

Long summer break is the most enviable part of the school life. It provides time when you get opportunity to spend quality time with your family. As the school closes for vacation, we have planned some activities for you to enhance your learning skills in a fun filled way. Gear up and utilize your time in the best possible manner. Go ahead with some unique fun activities. Let's cheer for the 3R's- Rejuvenation, Relaxation and Rebonding! Here are few tips you may follow:

- ✓ Appreciate Nature - Go for long walks in a park or garden with your family and friends.
- ✓ Good manners are the key - Respect your parents, grandparents and all elders. Use three magical words (Sorry, Please and Thank you).
- ✓ Stay Fit, Stay Healthy - Play your favourite game / sport regularly.
- ✓ Learn about our Heritage – Find some time to visit museums and monuments. Read about them.
- ✓ Save Nature – Contribute to save our precious environment. Minimize the wastage of resources like water, fuel and electricity.

GENERAL GUIDELINES

- The holiday homework is an integrated assignment.
- Assignments are to be done in scrapbook.
- The cover page should contain the following details
 - Name
 - Class
 - Section
 - Roll No.
 - Subjects integrated
 - Date
- The students need to follow the procedure as instructed in the respective assignments.
- Apart from the integrated assignments, copy work / worksheets are also part of the Holiday Homework.
- Homework to be done under Parent's supervision.
- All holiday homework to be submitted on 5th June, 2023.
- Submission of assignments are mandatory for all the students.

The assignments will not only enable you to recapitulate what was taught but will also help you to connect yourselves to the various learning processes.
Have a great Summer Vacation!

SUBJECTS INTEGRATED: Number Work and Art and Craft

TOPIC- One and only Number 1

Materials required-

- Scrapbook
- Colours
- Glue

Instructions (What you need to do):

- At first the students will form number 1 using any objects like- a match stick, toothpick, earbuds, etc., and then they will paste it with the help of glue.
- After that they will draw a picture beside the number and decorate it as per their wish.

SAMPLE PAGE

Learning outcomes:

- Students will be able to form the number 1.
- They will be able to understand the value of the number 1.
- Their hand and eye coordination will improve.
- They will be able to relate to their surroundings.

Criteria for evaluation:

- Presentation of the work should be neat and colourful.
- Proper borders are to be given.

SUBJECTS INTEGRATED: English and Art and Craft

TOPIC - TEAR-PASTE-COLOUR

Materials required-

- Print out of the PDF
- Newspaper
- Pencil, crayons, glue

Sample
Page-1

Page-2

Circle the leaves with green colour

Instructions (What you need to do):

- Summer holidays are all about having a fun time with your family and friends but we should always keep our mind active by doing something productive.
- So here comes an activity related to art that will help these little toddlers to learn and recall the previous lessons as well.
- Parents need to take out the printout of the pages.
- Then they will guide the children to finish the activity as per the instructions are given.

Learning outcomes:

- The letter 'L' has already been taught in the class with the word associated with it. Through this activity, they will be able to recall it.
- By paper tearing-pasting and colouring, their pincer grasp will improve.
- They will be able to learn and recall the colour of a specific object from their surroundings as well.

Criteria for evaluation:

- Presentation of the work should be neat.
- Names should be written on every paper.

SUBJECTS INTEGRATED: EVS and Art and Craft

TOPIC- “Different Body Parts”

Materials required-

- Pictures of the places visited.
- Scrapbook
- Stationery items

Instructions (What you need to do):

- Summer holidays are a time to relax and unwind by indulging in activities that are pleasurable and at the same time educational.
- In the holiday homework, students will make a collage of Body Parts (each body part having been demonstrated using 2 pictures) and paste them in their scrapbook.
- The students will need to name the Body Parts.
- An example of the following is given below: -

SAMPLE (1st PAGE)

Learning outcomes:

- The students will make connections with the different body parts they have learned.
- This will also help them to be more observant and focused.
- They will be able to find out new things that are related to body parts.

Criteria for evaluation:

- Presentation of the work should be neat.
- Pictures should be clicked by the students, physically.
- Proper borders are to be given.
- The work should be colourful.
- The work should be done on two pages.
