CLASS – III

Dear Parents,

Warm Greetings!

Summer vacations are indeed a time for our students to rejuvenate, reinvigorate, revive and explore new domains. However, looking at the present predicament of the pandemic, it is essential that we encourage and support our children to brave the lockdown and positively deal with the quarantine period. Keeping the same in mind, our teachers have designed a stress free, productive and fun filled Holiday H.W. which will engage the children in various hands on activities/projects, keeping the pen and paper at bay.

We have also set forth some tips for the parents to make this quarantine period a fruitful experience for the kids:

- Encourage your child to maintain personal hygiene by washing his/her hands frequently.
- Encourage your child to nurture a hobby.
- Motivate your child to do random acts of kindness, e.g. plant something or feed a bird.
- Let your child spend time with their grandparents and hear their life experiences.
- Engage them in board games like Chess, Scrabble or Pictionary to enhance their concentration and vocabulary.
- Reward your child's creative efforts, guide and support your child by boosting his/her confidence.
- Limit the screen time.
- Relive old memories with your child through photo albums and reminisce over past moments, stories and experiences.
- Encourage healthy eating habits.
- Spend time watching age appropriate movies:
Suggested movies: 1.TURBO
 2. COCO
 3. BABY'S DAY OUT
- Engage your child to do simple tasks like organising their cupboard by learning to fold clothes and piling them up neatly.
- Ensure that the children revise the video tutorial lessons shared in the months of April and May to ensure that they stay in touch with their academics.
- Let your child develop positive association with books by encouraging him/her to read at least for half an hour everyday .
- Let your child develop his/her writing skills by practicing a page of English/Hindi/Bengali writing every alternate day.
- Alongwith the above, help your child complete the following hands on activities subject wise:

Subject	Topic	Description	Reference/Sample
English	<ul style="list-style-type: none"> The Restaurant 	Putting your creative skills to work, curate a Holiday resort on a chart paper with the following points in mind: <ol style="list-style-type: none"> Start by selecting the location of your resort. Think of an attractive name of your resort. Enlist the fun activities that your resort would offer to its guests. Also create a food menu for the restaurant in your resort. Use picture cut-outs, free hand drawing and old newspaper cuttings to create the Resort of your imagination. 	<ul style="list-style-type: none"> Make it like a collage form.
Social Science	<ul style="list-style-type: none"> Hello Universe! Every drop counts. 	<ol style="list-style-type: none"> Make a model of the Solar System in a shoe box using thermocol / shoe box, balls, old card board, string, paint etc. or Take a transparent glass and fill it half with water. Mark the level of water on the glass. Leave the glass open for two days. What do you observe? Enlist your experiment in the following steps: <ol style="list-style-type: none"> Title Materials required Procedure Observation Conclusion 	https://youtu.be/Cxv_kxq5vlg https://youtu.be/MGGe_zsnKjQ
Science	<ul style="list-style-type: none"> Food and feeding habits Keeping Safe Housing and clothing. 	Create a healthy food tree on a chart paper by enlisting items that enhance our immunity and enable our body to stay strong.	Modern Science and Technology.
Mathematics	<ul style="list-style-type: none"> Roman Numerals 	Make a clock using Cardboard/Thermocol Plates/Mount board. The numbers in the clock should be written in roman numerals. Draw the hands also.	https://youtu.be/h6OkI3IzDw https://youtu.be/dvVk2y5JZEw

Wishing our lovely students a safe and fun filled vacation!

Warm Regards,

.....
 Mrs. Simran Sanghera
 Headmistress
