## **Summer Vacation Holiday Homework (2022-2023)**

### **Guidelines**

Dear Parents,

Warm Greetings!

Holidays are the time when as a parent you can connect with your child in many ways. As parents are the first and most important teacher for a child, you can encourage your child to participate in many educational activities at home and promote his/her quest to learn. Working together will not only help your child to build, learn and develop his /her skills but also strengthen your bond with your ward. Keeping the same in mind, our teachers have designed a stress-free, fun-filled Holiday H.W.

Here are some guidelines for the parents which will make this vacation a fruitful experience for the kids:

- Admire nature, enjoy the beautiful morning sunrise and evening sunset, hear the birds chirping and see the fluttering butterflies.
- Reward your child's creative efforts; guide and support your child by boosting his/her confidence.
- Help your child to do simple age-appropriate tasks independently e.g. open and close his/her lunch box, brush his/her teeth, arrange books, and bags, listen to instructions given.
- Follow a healthy schedule; let them know the value of eating healthy, drinking an adequate amount of water, and remaining physically active.
- Spend time watching age-appropriate movies:
- Suggested movies:
  1. A Bug's Life
  2. The Jungle Book.
  3. Brave
  4. The Lion King
- Read aloud to your child and enrich your bond with them. At the same time trigger their creative imagination.
- Practice some hands on activities like- folding and unfolding of napkins, threading and unthreading of beads, buttoning and unbuttoning of shirt which will help to improve their hand and eye coordination and will also enhance their fine motor skill.
- Allow them to draw any picture and let them practice colouring within the outline.
- Along with the above, help your child to complete the following hands-on activities subject-wise.
- Practice general conversation with the child using the English language only.
- Practice using golden words like Thank you, please, excuse me, sorry, may I?
- Print out the worksheets, and after completion attach them on the scrap book and submit the same on the very first day of the reopening of the school after vacation.
- Decorate the cover page of the scrap book.
