

Dear Parents

Monday, 07 June 2021

Greetings of the time!

At the onset of this communication I extend my heartfelt gratitude to each one of you for extending continuous support to the School in making a considerable success with **Online Classes**.

We further seek your kind attention to the following to ensure a higher standard of learning goals achieved by the children of our school.

1. Students must join the classes **on time** since the attendance for a day is marked only if the student is present for all the periods.
2. Every student must maintain an **attendance percentage of 75% or above**. Any absence should be **notified to the class teacher** stating the reason.
3. Students **must wear their School Uniform** and the **Camera must be turned on** at all points of time in class while the microphone must be turned on, as and when guided by the teacher.
4. As you are aware that the **Class X Board Examination Marks for the year 2021** rely solely on the **Internal Assessments** conducted by the School. In view of the same, it is imperative for our students to engage and participate in all the **internal assessments** ranging from project, Viva-Voce, Periodic test, Terminal Examination and any other assessment scheduled during the Academic Year.

With great desire of a stronger collaboration between the school, parents and children, I close my note with wishes of safe health to you and your family.

With Regards

Thanking you

VIJAYLAKSHMI KUMAR
