Dear Parents,

We have observed that students across some of the senior classes carry mobile phones , electronic gadgets and even sharp objects in their school bags.

We request the parents to monitor the bags of their wards before sending them to school. Any electronic gadgets or sharp object carried by students either in school bus or in school premises shall be confiscated, without any intimation to the parents. The confiscated objects shall never be returned back to the students.

Your co-operation shall be highly solicited in this matter of serious concern.

Thanking you,

Yours sincerely,

*Ujjaylaxmi Kumar*
