

## FEE CIRCULAR – PART IV

Tuesday, August 4, 2020

Dear Parents  
Greetings!

Hope this communication finds you and your family in a sound health. As the global effect of coronavirus (COVID -19) continues to evolve, AIS is firmly committed to the academic progress, mental health, wellbeing and safety of our students. We are closely monitoring the changing dynamics of academic delivery. All our academic lives we discouraged excessive reliance on screen time, but now the same is the only medium of connect between the teachers and students. However I am assured by the active engagement with our students, witnessing their enthusiasm and support by the parents that the end to these troubled times is near. Soon science will find the ways to restore normalcy in all our lives.

Guided sympathetically by the current economic scenario and to stand committed to the cause of community, the school has decided to implement the following revisions in its fee structure. The revisions are as follows.

1. The last day for clearance of **Quarter 1 Fee (i.e. April / May / June)** has been extended till **15<sup>th</sup> August 2020**.
2. **Transport Fee:** Transport fee for **Quarter 1 (i.e. April / May / June) and Quarter 2 (i.e. July / August / September) for academic session 2020-21** has been completely waived off. For parents who have submitted such amount for **Quarter 1 (i.e. April / May / June) and Quarter 2 (i.e. July / August / September)** the same will be adjusted with the current / subsequent school fee and reflection of the same will be given within 15 – 20 working days.
3. All other particulars namely time deferment, waivers, exemptions etc. shall continue to exist in accordance with the previous **FEE CIRCULARS (I dated 04/05/2020, II dated 21/05/2020 & III dated 01/07/2020)** already available on ERP & school website.

**We hope that our efforts will assist all of you in these times. I hereby would appeal to all the parents avoid hearsays and censure rumors.**
