Dear Parents,

I hope that you and your family are safe and healthy in these unprecedented times. In view of the current pandemic wherein mobility has been completely restricted and we all are adapting to the temporary alternate arrangements.

The parents **availing transport will automatically be migrated to the current year transport module** for any changes please get in touch with the helpline numbers or write to us on transport@aisedu.org / admissions@aisedu.org . The **new admissions can now register online to avail the facility by sending an email / WhatsApp** over the given helpline details. **There will no registration fee charged for the academic year of 2020–21.**

Due to the non-usage of Transport Services, during the lockdown period we have decided to reduce the Bus Fees on account of non-consumption of fuel by **40% of the existing Transport Fees** for the period of **April 2020 to June 2020**. **The transport fee will be notified by a SMS and given email id within 7 (seven) working days from the issuance of this notice and for any clarification please call at the helpline numbers.**

We are confident that you will appreciate the fact that apart from Diesel (Fuel) we need to continue to compulsorily pay salaries to the drivers/ helpers/ escorts and all other statutory commitments like insurance/ taxes/ PF/ ESI etc. We have not factored in the cost involved in remobilizing the fleet in terms of discharged and ruined batteries, deflated tyres and soiled interiors.

We have been blessed to have parents like you, who are kind, understanding and compassionate. We have full faith that in these challenging times you will be extending your full support to us and ensure that in the days to come ASIAN INTERNATIONAL SCHOOL maintains its glorious progress and carves a niche for itself in the academic scenario of the nation.

The last date for submission of Transport Fee for Quarter 1 will be 30th of June 2020.

Thanks

With warm and sincere regards
ASIAN INTERNATIONAL SCHOOL
